What if...

...there was a dance company where brilliant and daring people could show up and be supported to push themselves to move the world forward.

Welcome to Rambert

We believe that to give brilliant and daring people the chance to inspire others is to give them the power to change the world for the better.

We want to hear the most exciting and radical ideas wherever they may come from, connecting with brilliant and daring audiences and participants from all backgrounds. We make dance that is awe-inspiring, adventurous, dynamic, and relevant, taking it to our neighbourhood, the nation and the world.

Rambert's Chief Executive is Helen Shute and Benoit Swan Pouffer is Artistic Director. Rambert is a National Portfolio Organisation of Arts Council England.
