

How to Access Tickets Online

1. Log-in using the email address registered to your Access account:

The image shows a web form for logging in or creating an account. On the left, under the heading "Login to your account", there are two input fields: "Email address" and "Password". Below the password field is a "SHOW" link with an eye icon. A red "Login" button is positioned below the fields, and a link for "Forgot password?" is located below the button. On the right, under the heading "New to Sadler's Wells?", there is a sub-heading "Sign up to make future orders faster and easier" and a red "Create an account" button.

2. Navigate to the production/date you are looking to book and click 'Get Tickets'. This will take you to our seating plan where you will be able to select your preferred seats.

- Once you have clicked on the seat you wish to book, you will be able to select the price 'Access for all Member'. If you require an essential carer, click on a seat and choose the price 'Essential Carer seat'. As an access member you are entitled to one 'Access for All Member' ticket, and one 'Essential Carer seat' ticket. If you wish to book any further tickets, please select 'Standard'.
